

TEMPEST: Multi-Branch Conversation Attack Framework

Multi-Branch Conversation Tree

Attack Strategy Toolbox (7 Techniques)

1. Refusal Suppression
2. Dual Response
3. Response Priming
4. Persona Modification
5. Hypothetical Framing
6. Topic Splitting (Bundling)
7. Opposite Intent

Adaptive Selection: Resistance type detected → Strategy automatically adjusted
Policy/Ethics → Security Audit — Deflection → Research Framing — Safety → Testing Protocol
